THZ053CA | Targus Zierra™ Leather Portfolio for BlackBerry® PlayBook™ (Black)

The Targus Zierra™ case features a soft interior designed specifically to protec the BlackBerry® PlayBook™. Featuring a slide tab closure, this top grain leather case includes pockets for credit cards, photos and notes similar to a billfold. For added functionality, the Zierra case converts into a one-position stand so the PlayBook can be used inside of the case. The interior features a loop for a pen or stylus and a re-useable cleaning pad made of soft, scratch-resistant material which stores in a convenient pocket inside of the case. The Zierra Leather Portfolio combines quality construction and utility with premium leather material, providing a professional looking case, to store some of the extras you may need for a meeting or travel.
